Old Business

How to get more volunteers. Discussed shorter shifts. Beth to make flyer? No resolution.

Lightning Protocol: Highest ranking board member to have Weather Bug or similar on their phone. Suspend event when lightning is within 10 miles. Resume after 1/2 hour of no lightning within 10 miles.

Championship awards: 10 first place needed. Sue ordering. Board view “prizes” remaining from previous years and we will use those.

Sue is in charge of Championship Dinner. Event is on track at Augie’s. We will not have a silent auction. Too much work! Not enough value. We will have a raffle. Need 2 or 3 nice items. Have a volunteer of the year award at the dinner? No resolution.

Post meeting: Sherry sent email blast for Awards Dinner and a separate email to award recipients. These all included menu and details of signing up for dinner and payment to Sue.

New Business

Facebook has gained 40 new followers. Bravo to our tech team Beth, Nicole and Pat.

Beth has put together a form and posted on website (and FB?) for business donations for \$25 per year. Similar to a business card advertisement.

Beth worked with graphic designer who did advertising for ADA, to develop a new logo for NAC. VERY SHARP, MODERN, APPEALING. How do we roll out the new logo?

Sue and Sherry to clean out trailer and reorganize.

Adjourned 6:48.

Respectfully submitted,

Sherry
